Bible Teaching Weekend Thanks for joining us for the final installment of Richard Gibson's excellent series "Desiring God - Rethinking the Emotions." CDs of the series are available for \$10.

New Service Times Our elders met on Tuesday to consider your feedback on last week's service time trial, and resolved that "we are firmly of the opinion that changing service times to 9am, 1030am, 530pm and 715pm would create significant potential for the growth of our church family." It was further decided that we should progress to a final survey to discover the definite intentions of regular attenders on October 26th, with a view to introducing new service times from 11 January 2004, with a review at the end of March. **In other words, next week we want you to tell us which service you'd plan to attend together with any final comments.** Last week looked great... but if we missed something important, let us know next week (or sooner, by emailing phil@mpc.org.au or matt@mpc.org.au.)
